## New education system in phases

BARISAL, July 30: Education Minister Kazi Zafar Ahmed said today the Government has set a moderate target for making the education system of the country people-oriented, reports BSS.

Addressing at a meeting of the local elite at the local Circuit House, the Minister said an overnight change of our education system was not possible hence, we have to progress in phases.

Kazi Zafar said President Ziaur Rahman has pledged to the nation to carry forward the democratic process and return powers to the people. To support this and to safeguard the interest of the people we have joined the Council of Ministers of President Ziaur Rahman, he added.

Referring to parliament, he said it would be sovereign and completely independent and have powers to enact laws, amend the constitution, impeach the President and approve or disapproved any international agreement.

The Minister sought the cooperation of all concerned in holding the parliamentary elections in a free and fair atmosphere.
