

Science & tech-oriented education policy likely

18
BAJITPUR, (Kishoreganj) July 16: State Minister for Local Government, Rural Development and Cooperatives (LGRD) Alhaj Syed Abul Hossain Monday said that the government was contemplating to introduce science and technology-oriented education policy keeping in view the needs of the 21st century, reports BSS.

The State Minister said this while addressing a rally as chief guest at the local Bajitpur Degree College. Teachers, students, guardians and local elite attended the rally, which was also addressed by Shamsul Haque, MP, Syed Ashraful Islam, MP, and Principal of Bajitpur Degree College A.A.M. Talibur Rahman.

The State Minister said the government has given highest budgetary allocation to the education sector this year as it is

committed to eradicate illiteracy from the country. We will not be able to face the future challenges if we fail to improve quality and standard of our education by introducing science and technology oriented education in the country," said Abul Hossain.

The meeting was followed by a cultural programme.
