RUTA in a Press release signed by Prof Shahidul Islam and Prof Abbas Ali, President and General Secretary respectively of the association said that they had gathered this from the authority that they would hold two day-long selection Committee meeting from tomorrow to appoint people in some administrative post.

They also said that they earlier informed the authority of their unanimous decision in this connection.

They said that they were demanding to suspend all Selection Committee meetings until the Selection Board was formed comprising the newly elected Syndicate members.

They further warned that if the Selection Committee meeting was held on the aforesaid dates the authority of the university would be responsible for any consequence.
