

Sixty one persons yesterday received the Dhaka University Medal for their achievement in their respective fields.

61 awarded DU gold medals

The Dhaka University authorities yesterday awarded gold medals to 61 persons for their outstanding contributions in the field of education, research, science, literature and culture.

Prof. Abdul Mannan, the acting Vice-Chancellor of the Dhaka University distributed the medals among the winners at a colourful function held at the Teacher-Student Centre in the city yesterday morning. The recipients of the award, for the first time since independence, include teachers, scientists, researchers and students.

Deans of all faculties, provost of halls, teachers, students officials and employees of the university and distinguished guests attended the function.

The medals are: Chancellor's
