

25 BUET teachers resign

BUET Correspondent

25 teachers of Bangladesh University of Engineering and Technology (BUET) who are holding different administrative posts of the university resigned on Tuesday demanding immediate resignation of Vice-Chancellor Prof M Shahjahan.

The teachers who resigned include four Deans (including two Syndicate members), ten heads of the departments, seven out of eight hall provosts and directors of four institutes.

In a press release the teachers said that the academic and administrative activities of BUET virtually to a halt due to the on going movement of BUET Teachers' Association. The teachers also opined that it was quite impossible to carry on the administrative activities of the university without cooperation of teachers. They also advised the VC to resign immediately with a view to saving the famous institution from destruction.
