## BUET secures top position in computer contest

Staff Correspondent

Bangladesh University of Engineering and Technology (BUET) snatched the first position in the Association of Computing Machinery (ACM) sponsored day-long computer programming competition at the main campus of the North South University.

Dhaka University secured the second position in the contest.

A total of 17 teams from North South University, Bangladesh University of Engineering and Technology (BUET), International University of Business, Agriculture and Technology (IUBAT), Bangladesh Institute of Technology (BIT), AMA International University, Khulna University, Shajalal University of Science and Technology, Dhaka University, East West University and Ahsanullah University of Engineering and Technology participated in the contest.
