BUET Correspondent

The Syndicate of BUET at a meeting on Tuesday with its Chairman and Vice-Chancellor Prof Dr Iqbal Mahmud in the chair decided to reinstate the 13 teachers of Architecture Department who had resigned on April 26 last.

According to sources, these 13 teachers were given reinstatement conditionally, but the conditions were not known.

A total of 13 teachers of Architecture Department of BUET submitted their resignation on April 26 protesting the new admission rules of the university. The university authorities accepted their resignations.

But at one stage these 13 teachers regretted their activities and sought apology to BUET authorities. Later they demanded reinstatement.

It may be mentioned that the resignation of these 13 teachers created stalemate in the BUET when Vice-Chancellor Dr Egbal Mahmud submitted his resignation letter to the Chancellor and Prime Minister Sheikh Hasina. But his resignation letter was not accepted by the Chancellor.
