## BFTA submits 22-point demand to govt

Bangladesh Federation of Teachers' Association (BFTA) yesterday submitted a 22-point demand to the government asking for steps for the development of teachers, students and checking unfair means in examinations in the country, reports BSS.

Leaders of the BFTA, an association of four organisations of the teachers of government and non-government schools and colleges, at a press conference at the Jatiyo Press Club also threatened greater movement if the demands were not met immediately.

The BFTA demands raising salaries of the government school and college teachers from 80 per cent to 100 per cent, providing training to the teachers before implementation of the new syllabus, taking adequate measures to resist unfair means in examinations and winding up non-government schools and employees' welfare first.

Speaking at the press conference, BFTA Secretary General Principal Kamal Uddin Ahmed said that the government should take steps for a greater movement of UNP

demands of the teachers were not met by the next two months.

"Prime Minister Sheikh Hasina has assured us of raising the government part of our salaries to 100 per cent, but the order in this regard is yet to come to light," he said.

He underscored the need for introducing technology-based modern education to meet the demands of the next millennium. He called upon the government to follow international teachers-students ratio for bringing qualitative changes in the educational in-

stitutions in the country.

The BFTA leader thanked the government for providing Taka one lakh in each college to buy books and other educational aid.

BFTA Chairman Sheikh Amanullah, president of Bangladesh College Teachers Association, Bangladesh Government College Teachers' Association President Ali Akber Khan, Bangladesh Teachers' Association President Selim Bhuiyan and other senior leaders of the organisations were present at the press conference.
