

Degree exam

Female students outshine males

Female students in the degree examinations under the National University have outshine the males, reports UNB.

Sixtyone female students occupied the merit list of 106 in BA, BSS, BSc, BCom and Bmus results announced on Saturday.

Besides, 19 female students; out of total 28, clinched the position in the combined merit list.

Eighteen female students secured the position in BSc merit list out of total 33 students.

About 16 girl students secured the position in the BA merit list.

In the BCom merit list, 10 females shared the position with males. Three females in BSS secured position in the merit list.

325 got first division

BSS adds: Three hundred twentyfive secured first division out of 65,812 students who were graduated from National University in 1998, results published in Dhaka.

Of the successful candidates 39,750 got second division while the rest 24,546 students got third division. Among the brightest, graduates from Bachelor of Science group received 177 first division followed by Bachelor of Arts 130. But only eight students from Bachelor of Social Science and ten from the Bachelor of Commerce achieved top order grades. Bachelor of Music group, however, failed to secure any first division.
