

## 4 teachers for 4 students

From Our Correspondent

JHENIDAH, March 14:  
There are only four students where there are four teachers at the Ghorsal Free Primary Government School under Jhenidah thana, it is learnt.

It is reported that, the villagers have taken away their wards from the school when one influential person of the village shifted the school to his home from the place selected by the villagers. Since long two years, the villagers have been running another school at their chosen land, and consequently the four teachers of the Govt. School are drawing salary without doing proper duties. Moreover, this Govt. school has been granted Taka 20 thousand for development this year.

People of this locality called for proper enquiry into the matter.
