DMC medicos abstaining from classes

By A Staff Reporter

The "Chhatra Sangram Parishad" of Dacca Medical College on Monday reiterated their firm determination to abstain from attending classes till their two-point demand were met by the authorities.

Talking to newesmen on Monday the leaders of the Parishad said that they were abstaining from attending the classes for past ten days to press their demands. The demands are withdranal "migration system" in the Medical Colleges and release of the Joint Secretary of the Students Welfare Association of the College.
