

## Examiners not getting remuneration

From Our Correspondent

MADARIPUR, Sept. 16: Examiners of United Islamic Government High School have not been getting their remuneration bills of the practical examination for years together. As a result, they are suffering greatly.

It is reported that the SSC practical examination is held in the aforesaid school centre regularly and the examiners conduct it smoothly. But they are not receiving their bills, the cause of which is best known to the Board authority. The school authority put the matter to the Board concerned several times. But they seemed to give a deaf ear to the matter.

Now the teachers urged the concerned authority to look into the matter so that they can get their bill at an early date.
