Science Week observed

From Our Correspondent

JAMALPUR, Oct. 17:—The National Science Week '78 concluded here at Ashra Mahmud College premises amidst much enthusiasm recently. Mr. Abdur Rashid, Subdivisional Officer Jamalpur inaugurated the week.

On the concluding day of the week a prize-giving ceremony was held which was presided over by Mr. Suiat Ali Miah, Principal Ashra Mahmud College. Mr. Abdur Rashid Subdivisional Officer, Jamalpur, was present as chief guest at the function and distributed the prizes among the students for their laudable performances in the science exhibition. Mr. A. Y. M. Ekramud Dowla, Vice Principal and Prof. Abdu Salam also spoke on the occasion.

In his speech, the SDO exhorted the student community to be diligent in acquiring such learning and scientific knowledge as will benefit the society and bring welfare for the people. He further said that only hard work with complete unity can help the country reach its desired goal of progress.
