Striking teachers urged to resume duty today

Bangladesh Shikshak Samity Federation has asked all striking teachers and concerned education officials to resume duties today (Wednesday) according to a Federation Press release on Tuesday night, reports BSS.

The Press release said the decision to call off the long-running strike was taken in view of the agreement reached between the government and the Federation representatives regarding the federation's five-point demand and the subsequent government announcement on the issue.

In cases of organisation or unavoidable reasons the teachers have been advised to resume their duties latest by December 1, the Press release said.
