Training programme for teachers

BOGRA, March 27: Week-long training programme for the head masters of secondary and junior schools of Bogra district concluded here recently reports BSS.

Organised under the Population Education Programme of the Education Department, 46 headmasters of the district participated in the course.

The ADC (General) while opening the training course urged the teachers to help solve the most important problems of the country, the baby boom.

The District Programme Administrator of Population Education urged upon the teachers to discharge their responsibility perfectly in implementing the Population Education Programme.
