

Workshop on population education ends

A week-long workshop on population education attended by the Headmasters and Headmistresses of Secondary Schools concluded at the Dacca Teachers Training College on Friday, says a PID Press release.

Speakers at the workshop called upon the participants to exert their influences over the society to arrest the alarming growth of population.

Thirty-six Headmasters and 3 Headmistresses of Secondary School of Dacca districts participated in the workshop. They will teach the subject when it will be introduced in the schools. They will also be involved in thana level workshop on population education for Primary school teachers.

The concluding session was presided over by Mr. Sirajul Haque, Assistant Director, Population Education Programme.
