

Education policy in stipulated time : Zafar

RAJSHAHI, Oct. 6: Education Minister Kazi Zafar Ahmed said here on Thursday night that the national education policy will be announced within the stipulated time, reports BSS.

The Minister was addressing a cross-section of people at the Rajshahi Government College auditorium on Thursday night. Mr. Emran Ali Sarker, Chairman, Rajshahi Pourashava, was among others who spoke on the occasion.

The Education Minister cautioned all not to publish or sell the note books upto class five. A law in this respect will be introduced soon, he said.

He appealed to all to resist the so-called armed student miscreants who are engaged in nefarious activities in educational institutions. He also said that the democratic rights will be upheld.

Kazi Zafar who is also General Secretary of UPP said that the people of the country had given their verdict in favour of Jatiyatabadi Front Presidential candidate, President Ziaur Rahman in the June 3 election and it was the obligation of UPP to stand by the front programme till their full realisation.

He said that the UPP Central Committee had decided unanimously not to join Bangladesh Nationalist Party (BNP) because it thought that a political party having divergent and contradictory trends cannot face the challenge of the history.

Earlier, the Minister addressed the Rajshahi district education workshop held at the college auditorium.
