An Appeal

Sir,—We have seen a news item captioned 'Enhanced pay for teachers soon' in your daily dated 30.3.79. The news released by ENA refers to a press release of Bangladesh Federation of Teachers Association. But nothing has yet been done in this regard. This is the most critical time during the year for the non government educational institutions. Students of the non government private institutions cannot pay their tuition fees regularly during this period from March to July due to financial crisis. It affects the teachers very much when they are usually not sufficiently paid. On the other hand they are yet to receive any enhanced pay. And as a result the teachers are passing through a real hardship. As far as we know it was announced through a press release of the government that a uniform pay scale would be published by June 30, 1979 while the teachers of the non government educational institutions would be paid enhanced salary from October 1978 for this interim period. Hence we appeal to the government most earnestly to issue necessary order for immediate payment of the enhanced pay.—Yours etc. ADHIR CHANDRA SAHA
