

Eid-e-Miladun Nabi observed in DU

By Our Varsity Correspondent

Eid-e-Miladun Nabi was observed in the University of Dacca with due solemnity on Saturday. Milad Mahils were held at Masjidul Jamia, different Halls and Departments, according to a press release.

Speakers at the Mahil at Masjidul Jamia who spoke on various aspects of the life and role of the Holy Prophet (SM) were Prof. Masfuzul Kabir, Pro-Vice-Chancellor, Dr. Muhammad Ishaq, Dr. Qazi Leen Muhammad, Dr. Muhammad Mustafizur Rahman, Dr. A.B. M. Habibur Rahman Chowdhury, Mr. Md Abdul Mannan Khan, Mr. A.N.M. Raisuddin and Mr. A.T.M. Muslehuddin.

In his speech the Pro-Vice-Chancellor urged the Muslims of the world to unite and solve their problems on the basis of the teachings of Islam through the UNO. Dr. Deen Muhammad stressed that our actions must be compatible with our religious beliefs. Dr. Mustafizur Rahman noted that conduct of the affairs of the state is a sacred trust and the ruler is a servant not a lord. Allah is Sovereign over all. Mr. Muslehuddin reminded listeners that the world is transient so we should prepare for the next life. The Pesh Iman of the Mosque Md. Khalilur Rahman led the Milad and monajat. The Vice-Chancellor was present on the occasion.

Classes and offices of the University were closed on the day. Flags were hoisted atop different University buildings and the Curzon Hall was illuminated.

UNESCO workshop

A two-day UNESCO national workshop of users of scientific and technical information will begin in Dacca today (Tuesday) at the Bangladesh Council of Scientific and Industrial Research (BCSIR), reports ENA.

Finance and Planning Minister, Dr. M. N. Huda will inaugurate the workshop.

According to a Press release of the BCSIR, 45 scientists and 'Information Scientist' from six universities and all research institutions of the country will participate in the workshop.

The workshop mainly aims at evolving an effective national information infrastructure which will ensure that the scientific and technical information are readily available in the suitable form to keep pace with the present and future needs of users.
