CUCSU blames ICS for anarchy in campus

CHITTAGONG, Sept. 1.—The Chittagong University Central Students Union (CUCSU) today blamed Islami Chhatra Shibir for pushing the campus into a total anarchy and accused the varsity administration of patronising the troublemakers, reports UNB.

CUCSU leaders at a Press conference at the union office urged the authorities to fulfil its 21-point demand to bring back academic atmosphere on the troubled campus.

They demanded immediate publication of the investigation committee report on the violent incident on May 28-30.

They also demanded bimeasures against ICS leaders for disrupting the Second Year (Hons) examination on August 27 by calling hartal.

VP Nazimuddin of Jatiya Chhatra League and GS Ajimuddin of Samajtantrik Chhatra Front addressed the press conference.

CUCSU will organise a student rally tomorrow on the campus.

The varsity-based all-party students front also arranged a Press conference to press its 16-point demand, almost identical with that of the CUCSU.
