## Student bodies put up 18 panels for CUCSU polls

Chittagong Office

CHITTAGONG, Feb. 2.—Although the All Party Students Alliance could ultimately come out with an agreed panel its component student bodies appear to have turned down that consensus panel by pushing through respective separate panels for both "CUCSU" and six hall union elections. According to University Election Commission office, the nomination papers submitted by the contenders showed 18 separate panels. There were altogether 110 nomination papers submitted for just 10 executive member posts of "CUCSU".

It seems that pro-AL Chhatra League and BNP backed Jatiyotabadi Chhatra Dal finally went apart from the All-party Students Alliance and separately submitted nomination papers. But what is most surprising is that the pro-Awami League Chhatra League divided in two groups submitted nomination for two separate panels. While one Chhatra League panel is led by Moynuddin Hassan Chowdhury and Anup being candidates for the post of Vice-President and general secretary respectively, the other headed by Manjurul Islam Shahin and Salim Chowdhury respectively. panel putting Abdul Muhit and Habibur Rahman Liton for the posts of vice-president and general secretary. Another considerably influential student body the pro-BAKSAL Jatiyo Chhatra League doubled Nazimuddin Ahmed and Mokaddesur Rahman for the post of Vice-President and general secretary through a separate panel.

The possibility for united fight by progressive student bodies against the reigning Islami Chhatra Shibir seems to have diminished considerably. However, the position will be clear after expiry of withdrawal date for nomination papers on Saturday.

Meanwhile, the police are heavily picketing on the campus to check any possibility of violence among the supporters of contending student bodies. Some unidentified masked persons Thursday night raided the residence of teacher on the campus, but it could not be known whether the incident had any connection with the upcoming elections.

Meanwhile BSS from Chittagong reports.—The Chittagong University All-party Students Unity (CUAPSU) finally announced their panels for February 8 Chittagong University Central Students Union (CUCSU) and Hall Sangsad polls at a press conference tonight here at the press club.
