Adult education centre opens

From Our Correspondent

BHAIRAB, June 14.—The 'Rangdhonu Sangsad' of Bhairab Uttarpara has opened a night adult education centre at its own premises in response to the call of President Ziaur Rahman for removal of illiteracy.

The workers of this youth organisation will volunteer their services in imparting lessons to illiterate people of the area by holding regular classes during the night hours it is learnt.

While inaugurating the centre the Chairman of the local Pourashava assured his best help and co-operation for smooth running of the education centre.
