### Mass education centres soon

The government has planned to establish centres for mass education and adult education through out the country to acheive the objectives of education for all by the year 2000, reports BSS.

The preparatory work are progressing to launch the programme in a large scale.

This was disclosed by Education Minister Jamiruddin Sircar at a meeting with UNICEF President Representative Cole P Dodge in Dhaka Sunday.

The minister apprised the UNICEF representative the political commitments of the BNP government to launch mass education programme and the adult education programme.
