Reports on text books denied

The government Friday categorically denied reports published in a section of the newspapers that it has taken a decision to stop publication of school text-books, says BSS.

A government handout said that the reports are "not at all correct". It said, "no decision has at all been taken in this regard, but the matter of corrections of some spelling mistakes of some of those books is under examination in the concerned ministry at the lower level."

stoppage of this conspiracy.

Ulema Sammelon committee in a meeting of its higher parishad on Friday criticised the care-taker government for the decision to review the text books and demanded immediate withdrawal of this decision.

President of Bangladesh Mujahid Committee peer of Charmonai Moulana Syed Fazlul Karim addressing the Dhaka divisional conference of the committee at Jatrabari on Friday criticised the caretaker government for its decision to review the text books. He threatened to organise mass movement if this decision was not withdrawn immediately.
