Head examiner hooked while manipulating SSC marks

UU 089

Staff Reporter

The Headmaster of Motijheel Government Boys High School Mr. Shamsul Alam, was caught red handed by the Education Minister while manipulating marks in the answer scripts Sunday.

Mr Alam the head examiner of Dhaka Board SSC mathematics examination, was immediately suspended and transferred. An inquiry committee was instituted and departmental action was ordered by the minister.

Education Minister Sheikh Shahidul Islam, while on a visit to the Motijheel Government Boys High School found the room of the head master bolted from inside. After entering the room the minister saw a number of answer scripts scattered all over the room. While going through some of them, Sheikh Shahid detected that the marks of 30 scripts were manipulated. Those examinees who failed were given pass marks and those who obtained upto 70 per cent marks were given credit marks (above 80 per cent).

Other teachers of the school upon hearing the incident met the Minister and brought allegation of corruption against the headmaster.
