Results of 5000 SSC examinees withheld due to irregularities

A Correspondent

RAJSHAHI, July 16:—Due to irregularities in the filling up of forms of SSC examination of 1989 under the Rajshahi Board the results about 5000 examinees may be withheld according to a Rajshahi Board source.

According to the source, different schools under the board committee irregularities in filling up of forms and these students have been enrolled in more than one school at the same session. The actual age of the examinees was not maintained, according the registration card. The expelled students were enrolled as fresh students in other schools, appeared in the examination as regular students.

The authority of Rajshahi Education Board has already filed complaint against the examinees and relevant authority of the schools at the time of publishing result of SSC examination. Letters are being issued to school authorities to show cause of irregularities.

The source disclosed that the same irregularities were also found during last few years.

The source said that, the results of SSC examination of 1989 under the Rajshahi Board may be announced at the last week of this month. The announcement of the results is delayed to Eidul Azha vacation.
