For publishing SSC results in time

Dear Editor,

We the seven SSC examinees from Dhaka University Laboratory school under the Secondary and Higher Secondary Education Board, Dhaka, observed with grave concern that answer scripts of a Board had already been found in a stationery shop and employees of another Board had been suspended for leakage of the results. Very recently the news of ransacking of the office of Dhaka Board and shameless assault on the Controller of Examinations for adoption tight security measures during preparation of the result sheets, hurt us. We deeply condemn the incidents and demand exemplary punishment of the persons responsible for the violent activities.

May we ask the conscience of the general public. Are we forgetting gradually to show respect

to the law of the land? Could not our scholars and administrators find out a method that would help erase all the unexpected misuse of power and adoption of nepotism?

We demand to the higher authorities to please published our SSC results in due course and help smooth resumption of our academic life.

Sincerely yours

Maruf Ahmed Polash,

Yasir Hayat Epoch,

Alam Aurangjib,

Tanjir Mahmud,

Humayun Hasan,

Zahidunnabi &

Abdullah Mamun.
