

## SSC examinees defy Comilla Board order

COMILLA, July 17:—A total of 66 S.S.C. examinees of Rasulpur High School appeared at the examination in Burichong centre instead of Comilla Zilla School centre defying the orders of BISE, Comilla. They changed the centre at the last moment without any valid reason, it is alleged.

According to reports, Rasulpur High School falls within Comilla Sadar Upazila and as per latest orders of the Board, all candidates of this school were scheduled to sit for examination in Comilla Zilla School centre. Rasulpur High School authority along with 5 other high schools applied to the Board to allow their candidates to sit in Burichong centre. The Board authority, rejected their prayer vide exasecond 90/134/(3) dated 7.5.90, and directed Comilla Zilla School centre to arrange seats accordingly.

But only 4 examinees (Roll Com-422, 423, 424 and 1310) of Rasulpur High School turned up in Comilla Zilla School centre and rest 66 were found absent. Later SSC examinees at the Burichong centre.

This irregularity aggrieved the intellectuals and S.S.C. examinees of the other five high schools and the situation of SSC examinees was hanging in the balance.

### Three uplift projects

PATUAKHALI: Local Government and Engineering Bureau (LGEB) is implementing three uplift projects in Sadar and Bauphal upazilas here at an expenditure of Tk. 1.9 lakh. According to official sources, the projects include construction and reconstruction of roads, culverts and bridges, reports UNB.
