Tabulation of SSC result postponed

Our Correspondent

JESSORE, Aug. 22.—Tabulation of SSC examination of Jessore Education Board has been postponed from Tuesday forenoon for non-cooperation of employees of the Board following suspension of two fourth class employees.

According to a source of Jessore Board, the said fourth class employees allegedly leaked out some results during tabulation. The employees union alleged that the teachers engaged in tabulation were leaking results in large number but no action was taken against them. The Board authorities have been compelled to postpone tabulation till August 27, it is reported.
