Girls do better than boys of Ctg Board

(Staff Reporter)

The girl examinees of Chittagong Education Board surpassed their male counterparts in the percentage of pass in both the General Science and Social Science groups in this year's SSC examinations.

In the General Science group the female examinees' percentage of pass is 78.93 as against their male counterparts' percentage of pass of 76.79.

The percentage of pass for the female examinees in the Social Science group is 50.88 compared to male students' percentage of pass of 49.43.

However, most of the top 20 positions in General Science and Social Science groups have been secured by the male students in the examinations.
