B Sc examinees boycott exam at Ctg centre

Chittagong Bureau

CHITTAGONG, Nov 20 :
Nearly three hundred out of a total of 375 BSc examinees of Sir AT College centre did not participate in the examination today in protest against what they said police action on their procession in the college campus yesterday evening.

The examinees brought out the procession demanding equal treatment for all examinees of the centre. They alleged that a section of examinees were given special treatment by the college authorities by making separate sitting arrangement so that they could adopt unfair means. During their procession police fired two rounds of blank shots.

The college authorities, however, denied the allegations.
