Results of several Honours and Masters Degree Final examinations held earlier have been published by Jahangirnagar University.

In the M.Sc. Final examinations of 1983 in Chemistry held in November — December, 1985, all 18 examinees came out successful. Among them, 17 obtained Second Class and the remaining one got a Third Class. Mr. K. M. Ablus Salam and Mr. Md. Harunur-Rashid stood 2nd class first and second respectively.

Mr. Md. Ruhul Amin stood First Class first in the M.Sc. Final examinations of 1983 in Physics (Group-B). Out of the four examinees, 3 secured First Class and the other one got Third Class. Mr. Amin was followed by Mr. Md. Mutasim Billah.

In the M.Sc. examinations of the same year in Geography (Thesis group) all four examinees two were placed in the

First Class and two in the Second Class, came out successful. Miss Tauhida Nasrin and Mr. Md. Mizanur Rahman Chowdhury stood First Class first and second respectively.

Results of the B.Sc. (Honours) final examinations of 1984 in Statistics and Geography have also been published. Both the examinations were held in January-March this year. In Statistics 47 examinees out of total 48 have successfully won their degrees. Among them, nine secured First Class, 37 Second Class and the rest seven were placed in the Third Class. Mr. B.M. Golam Kibria topped the list of the passouts.

In Geography 34 students appeared in the examinations and all but one of them came out successful. One obtained First Class. 29 were placed in the Second Class and 3 in the Third Class. Mr. Mustansi Ibn Saifuddin and Elhtesam Ahmed Siddiqui stood first class first and 2nd class first respectively.
