

An appeal to DU authority

Dear Editor,

Results of Degree (Pass and Subsidiary) examinations of 1988 under the Dhaka University were announced on June 10, 1989. But it's a matter of regret that the results of Dhanbari centre have been withheld.

It may be recalled that a team from DU visited the Dhanbari centre on 21.11.88 when Islamic Studies (2nd paper) exam was going on. The team took photographs of some copies supplied from outside the centre at Dhanbari and on this ground the authority is learnt to have withheld the results of the said centre.

Now the question is: Could the photograph of some copies supplied from outside be an appropriate reason to withhold the results of two thousand examinees of a centre? It should be mentioned here that the varsity authority and the local administration are responsible to keep peace and discipline in and around the examination centre. But why should the examinees be penalised for the failure of the

authorities in carrying out their responsibilities?

I would, therefore, request the DU authority to announce the results of Dhanbari centre for bringing relief to a huge number of innocent examinees who are suffering great economic loss and tension for no fault of their own.

Yours sincerely
