## Sharfuddin renominated

The government has renominated Dr Abdullah AlMuti Sharfuddin a former Secretary of the Science and
Technology Division, as the
President of Bangla Academy
for a two-year term, reports
BSS.

Born on January one, 1930, in village Fulbari under Serajganj district. Dr. Sharfuddin received M.Sc degree with honours in Physics from Dhaka University in 1953. Later he obtained M.A. from Chicago University in 1960 and Ph.D in 1962.

He held many important government posts and is author of a number of books. He is a fellow of Bangla Academy.
