Students clash: Ishwardi College closed

PABNA, Nov 11 (UNB): Ishwardi Government College was declared closed for an indefinite period and a clash between Jatiyatabadi Chhatra Dal and Chhatra League (A-A) on the college campus today which left at least six students injured. College sources said the clash was the sequel to a clash last Sunday between the two rival organisations at Pabna Edward College.

The authorities of the college took the decision soon after the incident to avert further clashes. Meanwhile, a 31 hour strike was observed in the town since Sunday noon. The strike was called by local BCL activists protesting Sunday's clash in the town.

The non-stop strike was withdrawn following fruitful discussions with the local administration, BCL sources said. At least 66 people including 11 policemen were injured in a series of clashes yesterday (Sunday) in the Edward College and different parts of the town.
