## 6 students including JUCSU VP arrested

By A Staff Reporter

Home Minister Abdul Matin Chowdhury Monday told the Jatiya Sangsad that six students including JUCSU Vice-President were arrested so far in connection with the violence on Jahangirnagar University campus on July 29.

The Home Minister said charge sheet against 22 persons have also been submitted.

He was replying to a number of supplementaries to a question by Awami League Member A. K. M. Jahangir Hossain during the question-hour session.

Mr Chowdhury said the present democratic government is fully committed to the establishment of the rule of law in the country. "A criminal is considered as a criminal. Nothing else. None is above the law," he said. Referring to the arrest of students in connection with the Jahangirnagar University incident on July 29, the Home Minister said no government in the past had taken such a step.

He said the opposition is trying to create an issue out of the Jahangirnagar incident and reap political advantage out of that.
