### JN hall incident

Varsity Correspondent

Leaders of Jatiyatabadi Chhatra Dal (JCD) at a rally on Monday expressed resentment against the violent activities in Dhaka University Jagannath Hall and urged the University authorities and law enforcing agencies to take punitive measures against the terrorist elements.

Addressing the rally in front of the DUCSU building JCD leaders termed Sunday's armed attack on Jagannath Hall as a result of the internal conflict of the pro-Awami League Chhatra League (S-P) and said general students of this hall have been become hostage at the hand of the Chhatra League (S-P) backed armed terrorists.

The rally was addressed, among others, by JCD President Fazlul Haq Milon, University Unit President Mosharraf Hossain and General Secretary Monir Hossain.

They urged all democratic student organisations to boycott the Chhatra league (S-P) which they said had created reign of terror in the country in a planned way to hamper the development programmes undertaken by the government of Begum Khaleda Zia.
