SSC results submitted to President, PM

Chairmen of five S S C and H.S. C. Education Boards of Dhaka, Chittagong, Comilla, Rajshahi and Jessore submitted the results of S S C examination, held this year, to President Justice Shahabuddin Ahmed at Bangladesh on Tuesday, reports BSS.

The Chairmen of the boards pointed out to the President various problems of sitting arrangements and conducting various nation-wide examinations. They are of opinion that if the examinations are held in one centre only at the thana headquarters, it would be well-organised and conducted peacefully reducing the chance of adopting unfair means in the examination.

President Shahabuddin thanked the Chairmen of the Boards for publishing the S S C results in time and said that co-ordinated efforts should be made immediately to stop unfair means in the examination halls.

Education Secretary Kazi Rakibuddin Ahmed was present on the occasion.
