111 HSC examinees to sit for exam at Badrunnesa College

Some 111 HSC candidates, out of 132 of Motijheel Model School & College, who are earlier denied permission, will sit for the examination beginning today (Thursday) at the Badrunnesa Government College centre in the capital.

Prof ATM Sharif Ullah, Chairman of Board of Intermediate and Secondary Education, Dhaka told UNB over telephone that the authorities allowed 111 candidates from Arts Group of the college for the examination.

The Board authorities have already prepared the admit cards and the college authorities were asked to collect those by 9 pm Wednesday.

Many guardians rang up UNB and inquired about seat plan. Replying to a question, the Board Chairman quoting the College Principal said some 111 students are to appear in the examination as the remaining students, out of 132, could not pass their test examinations or did not sign up the necessary papers for appearing in the examination.
