Examinees clash with police in Sirajganj: 60 hurt

From Our Correspondent

SIRAJGANJ, Dec 3: At least 60 people including a magistrate and four invigilators were injured in a clash between the outsiders and police in front of a degree examination centre at Chandaikona under Raiganj upazila today.

The trouble began when an invigilator recovered an answer script from an examinee at Haji Wahed Morium College centre. The answer script was supplied to the examinee by Raiganj upazila Juba League secretary Shahidul Islam.

After the examination, the supporters of Shahidul Islam attacked the invigilators and the magistrate.

Police clubbed the outsiders, fired tear gas shells and bullets to rescue the magistrate and invigilators.
