Carmichael College closed *sine die*

From Our Correspondent

RANGPUR, Aug 16: The Carmichael College was closed *sine die* following a clash between two rival groups of students on the campus today, police said.

Resident students have been asked to vacate their dormitories by tomorrow noon.

The clash erupted when two pro-JSD Chhatra League activists were beaten up by their rivals this noon, police said.

The Academic Council of the college in an emergency meeting later decided to close the college for indefinite period to avoid further clash.
