## JCD rally on DU campus demands retaking of last month's exams

Varsity Correspondent

Jatiyatabadi Chhatra Dal (JCD), student wing of opposition BNP, on Thursday staged demonstration on the Dhaka University campus demanding resignation of the Proctor of the University and rescheduling of the examinations taken during student strikes last month.

JCD brought out a procession on the campus and observed a *gherao* programme at the administrative building. There, they also held a rally which was presided over by the Vice President of JCD Manzur-E-Elahi.

"We shall build up strong resistance against the university authorities acting as agents of the Government", they said the leaders at the rally. "The university has gone under the grip of terrorists, abductors and killers", they added.

Terming the examinations taken defying the student strikes as farcical, the speakers said, "We shall have to go for a tougher movement if the authorities don't go for an immediate decision regarding the examinations so as to assure the thousands of examinees".

The rally was, among others, addressed by Azizul Bari Helal, Rakibul Islam Bakul, Shafiqul Alam Tuhin, A.B.M. Mosharraf Hossain, Monir Hossain and Mustafizul Islam Mamun.
