Plea to release Gen Secy

JCD submits memorandum to DU VC

Varsity Correspondent
Jatiyatabadi Chhatra Dal (JCD) on Wednesday submitted a memorandum to the Acting Vice Chancellor of Dhaka University demanding immediate release of the General Secretary of JCD DU unit who had been arrested by police during Monday's hartal.

The General Secretary, Mustafizul Islam Mamun, was arrested by Ramna Police on charge of hurling bomb during hartal time.

The JCD activists brought out a procession on the University campus at around 11 a.m. and later submitted the memorandum to Prof. Md. Shahadat Ali, the Acting VC. They also held a rally in front of the office of the Vice Chancellor. The rally, presided over by Monir Hossain, was addressed, among others, by Monwar Hossain Rana, Monzur-e-Elahi and Mosharraf Hossain.

Speakers, at the rally, condemned the arrest of the JCD leader and said that it was another instance of the Government repression over the organisation. "The student community will build up a strong resistance against the government if they continue this repression", they said. The speakers further warned the Government saying that they would not tolerate any kind of influences on the University authorities. They demanded the release of other JCD leaders throughout the country as well.
