Left-leaning student front Bangladesh Chhatra Union (BCU) brought out a procession and held a rally on the Dhaka University campus on Monday demanding immediate arrest and exemplary punishment to the killers of an activist of BCU's Habiganj unit.

BCU will stage a demonstration and submit a memorandum to the Home Minister in this connection on July 26.

Speakers at the rally blamed the concerned Thana authorities for not accepting the case. "And the killers are taking advantage of the silence of the authorities", they said.

Proton Kumar Das, a member of the Habiganj unit of BCU, was killed by some unknown miscreants at Lokhai thana under Habiganj district recently.

The rally, presided over by BCU central President Monzur-e-Khoda Torik, was addressed, among others, by BCU General Secretary Hasan Tarik Sohel, President of BCU DU unit Nadira Sultana Nadi and Mahbubur Rahman Shipon.
