### 3 BUET students get Dr Ali Karim Gold Medal

The Dr Ali Karim Memorial Gold Medal was awarded to three students of the Chemical Engineering Department of BUET for topping the bachelors list at the Fifth BUET Convocation 1997 held on Thursday.

Tazrin Kamal (1992), M. A. A. Showkat Chowdhury (1993), and S A Imtiaz (1994), were the recipients of the award, says a press release.

Dr Ali Karim was born in Begumganj thana of Noakhali district in 1897. He graduated with distinction from the prestigious Presidency College, Calcutta, and in 1923 won a scholarship to the Imperial College of Science and Technology, London, where he received his Ph.D in Chemistry and Chemical Engineering.
