Japanese team calls on VC of Dhaka Varsity

Our DU Correspondent

The visiting members of the basic design study team from Japan International Cooperation Agency (JICA) on Monday called on Vice-Chancellor of Dhaka University, Prof Abdul Mannan, at his office.

The seven-member team was led by Dr Tomoya Shibayama, Associate Professor of Civil Engineering Department Yokohama National University.

During the meeting they discussed matters of mutual interest specially supplying of scientific educational equipment to Physics, Chemistry and Botany Departments of the Dhaka University.

The Vice-Chancellor thanked the members of the team for their assistance and cooperation.
