CU opens Botany Masters degree

CHITTAGONG, Aug. 25. Chittagong University will for the first time, give admission to students into Masters Degree (preliminary) course in Botany this year for the session 1986-87 reports BSS.

The University, in a press release, advised intending candidates to apply in prescribed form, to be available at the office of the Chairman of Department of Botany, by depositing fee of Taka 25 along with necessary documents.

Application forms will be received by the Department upto September, 2, it added.

BOOK PUBLICATION

A meeting in connection with the publication of a book on late Prof Ekhlasmuddin of Chittagong University on the occasion of his third death anniversary was held at the Science Gallery No. 1 of Chittagong University recently with Prof Muniruzzaman in the chair. Prof Md Shamsul Hoque, former Vice-Chancellor of Dhaka University and presently member of the Grants Commission was the chief guest. Prof A M Harunur Rashid of Physics Department of Dhaka University and Dr Abdul Mannan of Atomic Energy Commission Dhaka were special guest.

The meeting appealed to the Chittagong University administration to rename the Science Faculty building as Ekhlasmuddin Bigyan Bhavan and to institute a scholarship in Chittagong University like that of Kali Narayan Scholarship of Dhaka University in the name of late Prof Ekhlasmuddin.
