# World must take care of children's rights

By A Staff Reporter

Foreign Minister Prof. Shamsul Huq on Monday assured visiting United Nations Assistant Secretary General, Dr. Estafania Aldaba-Lim full co-operation of Bangladesh to the International Year of the Child (IYC) programme.

Prof. Huq was talking to Dr. Lim when she called on him at the Foreign Office on Monday morning. He told her that the International Year of the Child programme was important not only to the nations concerned but also to mankind.

The Foreign Minister pointed out that majority of the children in the developing countries, including Bangladesh, were deprived of the basic necessities for living.

He said that the world com-
