Curriculae for kindergarten schools soon for kindergarten schools.

Curriculae and syllabi intended for Kindergarten schools in Bangladesh prepared by the Worldview Institute of Childhood Education (WICE) will be published soon, reports BSS.

Chairman of Worldview Bangladesh and Rector of WICE Dr K M Sirajul Islam told this at the closing session of a basic training course for the kindergarten teachers on child-

hood education on Worldview premises in Dhaka Saturday.

Formed in early 1996, WICE, an NGO, is imparting basic training to the kindergarten teachers and already completed nine such courses.

Dr Islam said the first kindergarten curriculae and the syllabi have been prepared by a group of experts in the field suiting the needs of the

children and befitting national tradition and culture. This will meet the long felt demand of several thousand kindergarten schools in the country, he said.

He said WICE will also publish soon another comprehensive curriculae and syllabi for pre-primary section of primary schools, a teachers' manual and a management manual

Referring to teaching aids of KG students he said by the end of August WICE will set up a sales centre at the WICE premises, for teaching aids and educational toys produced by it.

Former secretary Manzurul Karim spoke on the occasion as the chief guest. President of Japanese Society for Promoting Intercultural Education for Children (SPIEC) Heitaro Adachi also spoke.
