Survey Notice

It is hereby further notified for information of authorities of all recognised/approved private Lower - Secondary/ Secondary School, Madrashahs and Colleges of Bangladesh that Bangladesh Government has taken a Survey Programme through out the country for collection of emergency detailed information (date) about the above mentioned educational institutes and their teachers. In this regard two kinds of forms have been prepared—one for educational institutes and another for teachers (male/female) (Form No. Banbaise/ BSPJ 101/ for educational institutes and Form No. Banbaise/ BSPJ 201 for teachers (male/female).

These two kinds of prescribed forms are being distributed from the office of all District Education Officers of Bangladesh from 15th July 1980. Headmaster/ Mistress of each recognised Lower Secondary School, Principal/ Superintendent of Madrashah and Principal of Intermediate and Degree College will have to fill up two copies of form regarding the educational institute as per the requirement of Survey at their own responsibility. Form regarding Educational Institute must be countersigned by the Chairman/ President of Governing Body/ Managing Committee of educational institute concerned. Teachers (male/ female) (including Head or in charge thereof educational institute) will have to fill up their own particulars in two copies of prescribed forms for them at own responsibility. Form filled in by the teachers must be countersigned by the Head of the Educational Institute concerned. One copy of both the forms will have to be sent to the undermentioned address from each recognised/ approved private Educational Institute by 30th August 1980 as per the requirement of Survey. Second copy of each form will remain as record in Educational Institute. One typed copy or handwritten copy of both forms will have to be sent to the District Education Officer concerned. Detailed information is already mentioned in each form and two instructions have been given for the convenience of filling up the form. Each Educational Institute will have to collect requisite number of forms (with instruction) immediately from the office of the District Education Officer.

This being very urgent to all citizens and especially persons connected with education are requested to notify the matter to the educational institute in their own area. Concerned District Education Officer may be consulted for any kind of explanation or information. If any person or institute furnish any false information then punitive will be taken.

One copy of both kinds of forms will have to be sent to the undermentioned address by registered post or by bearer within 30th August 1980.
